Certain conditions are precautions or contraindications for hydrotherapy and swimming, but not limited to: *cardiac and respiratory dysfunction, bleeding/hemorrhage, surface infections, incontinence/diarrhea, open/draining wounds & incisions, epilepsy, hypothyroidism, diabetes excessive obesity, and non stable fractures.*

Other concerns indicated are: _____

I acknowledge that I have read the above and understand, appreciate and accept the risks associated with the use of the pool, swimming and hydrotherapy, either by me or with the hydrotherapist.

I agree to release the Canine Water Wellness Ltd. of any legal responsibility for any and all injury that may occur to my dog or me. I accept full responsibility for actions and behaviours of my dog towards other people and dogs. I accept and assume all the risks of injury to me and my dog.

Note: Canine Water Wellness Ltd. is not a veterinary clinic and we are not veterinarians. If your dog is recovering from surgery or any other veterinary procedure, all diagnosis and treatment must be recommended, approved and monitored by a veterinarian. At no time will The Canine Water Wellness Ltd. diagnose, recommend treatment methods and/or determine the health of your dog. Any consultation provided by The Canine Water Wellness Ltd. is intended solely to review the veterinary recommendations.

The Canine Water Wellness Ltd. is not responsible for any injuries resulting from the use of the pool. The handler must supervise the dog at all times.
